

## REMARKS

This Amendment is submitted supplementary to the previous Amendment and in connection with the interview with the Examiner.

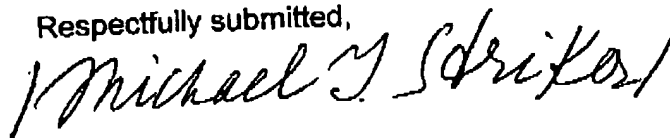

During the interview the Examiner indicated that the numbering of claims was not accurate because of the previously presented claims 19 and 20.

In connection with this, the claims have been canceled and a new set of claims 34-62 have been submitted, which correspond to claims 1, 4-13, 16-33 presented in the Amendment of June 13, 2006.

Reconsideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
